Lakeview PTA: Start Your Art Workshop Permission Slip

Dear Parents,

Lakeview Elementary PTA is once again participating in the Reflections program. This program gives students of all ages and abilities opportunities to express themselves thoughtfully and to receive positive recognition for their original artistic efforts. Category winners may advance to regional, state, and even national levels.

We are offering "Start Your Art" workshops for the Reflections program on both **Tuesday, October 10th** and **Monday, October 16th** from 3:00 – 4:00 pm (your child may attend 1 or both sessions). Your child does NOT need to attend a workshop in order to participate in the Reflections program!

These two free supervised after-school workshops are open to students who want to enter the contest. Students can bring works in progress or start from scratch with provided art supplies. We will help the students fill out the forms and understand the theme and rules. Students are allowed to bring a snack to eat during the workshops.

If you are interested in your child participating, please fill out the bottom section of this permission slip and return it to school as soon as possible.
